For each new morning with its light,
For rest and shelter of the night,
For health and food, for love and friends,
For EVERYTHING Thy goodness sends.
For flowers that bloom about our feet;
For tender grass, so fresh, so sweet;
For song of bird, and hum of bee;
For ALL things fair we hear or see,
Father in heaven, WE THANK THEE!

~Ralph Waldo Emerson

"Rejoice always, pray without ceasing, give thanks in all circumstances, for this is the will of God in Christ Jesus for you." 1 Thessalonians 5: 16-18

This isn't how today was *supposed* to go. I was *supposed* to get back from the Theological Conference and be productive and get so much done! I was *supposed* to be rested and ready for all of the planning and upcoming fun. Instead, my back is acting up and today is definitely not going the way today was *supposed* to go.

I did not get everything I wanted to do done today. I had to rest, make adjustments, and that is ok! In fact, it is more than ok. I was looking for a Bible verse about giving thanks so I could write this newsletter article. And I found not just one, but many Bible verses, each reminders of giving thanks to God in ALL circumstances. I was struck by the repeated connections in scripture between suffering and thankfulness. My day may not be going the way I thought it was supposed to go, but these verses helped reframe my perspective.

And I am thankful! I am thankful for the love and presence of God in all things and at all times. I am thankful for the beauty of creation and for the changing of seasons. I am thankful for the grace of Jesus Christ and that it is reliant on who God is and not on what I do or don't do. I am thankful for the call of the Holy Spirit, who gathers us as a community of faith, thankful together.

As November approaches, we have a lot to anticipate. All Saints Sunday, the Angel's Silent Auction, Confirmation lessons, an invitation to Pilgrim's Thanksgiving worship, the preparation for and beginning of Advent, as well as all of our individual traditions. In my house, it is the placement of the "Not quite stained glass Thankfulness turkey in the front window" and family gatherings. For many it is the upcoming hunting season or black Friday shopping. And remember, whether everything goes according to plan or not, God is always present with us. We have much to be thankful for indeed!

Pastor Karoline

CONGREGATION NOTES

All Saints

St. Stephen Lutheran Church will be observing All Saints Day on Sunday, November 6th. If you have a loved one that passed away after November 7th, 2021 and would like to submit their name, please fill out a form and place it in the box on the counter in the reception area no later than Wednesday, November 2nd. Their name will be read during the service and they will be included in a slideshow on All Saints Sunday. If your loved one was a member of St. Stephen, they will automatically be included; you do not need to fill out a form. A form can be found on page 8 in this newsletter or on the counter in the reception area.

Chili/Soup Supper

Pilgrim Lutheran Church is inviting members of St. Stephen to join them in a Chili/Soup Supper on Tuesday, November 22nd at 5:30pm. A special Service of Thanks will take place in the Sanctuary immediately following the supper at 6:30pm. Pilgrim will provide the meal, but ask that those wanting to attend sign up in advance. A sign-up sheet is on the counter in the reception area. The deadline to sign up is Monday, November 14th.

Coats for Kids

The Coats for Kids Drive has started at St. Stephen. If you have any gently worn coats or other winter apparel such as: hats, mittens, snow pants, scarves, etc. that you do not need, please consider donating them to the Coats for Kids Drive. All sizes of clothing are needed. Bring your winter apparel to church and place your donations on the designated table in the chapel. Committee members will transport items to Coats for Kids collection centers. This drive will continue through the first week of December. Thank you for your consideration.

Community Dinner

St. Stephen is hosting a Community Dinner at First Presbyterian Church on Sunday, November 27th. The committee is asking congregation members to bake or purchase cookies for this event. Please bring the cookies with you to worship on Sunday, November 27th and leave them in the back of the church (there will be signs). The cookies provided by St. Stephen members last year for this event were amazingly delicious and greatly appreciated by our dinner guests.

Council Members Needed

As we enter a new chapter in our church's history, please prayerfully consider becoming a part of our family's leadership team. The 2023 Council is looking for candidates for the following positions: Vice President/President Elect, Secretary, Good Stewards Elder, Property Elder, Members-at-large, and 2 Trust Fund Committee members.

Fleece Blanket Project

Thank you to all who have tied fleece blankets or have brought in kits for others to tie. You may continue to bring kits in until Sunday, November 13th. The fleece blankets will be displayed in church on Sunday, December 4th and we will have a special blessing during the service. The kits will then be distributed to the Child Advocacy Center where they will be given to children and adolescents who may have been abused. The Angels thank all of you who have helped us with this project.

Benevolence

Through your support of St. Stephen in the month of September 2022, we were able to contribute to the following ministry:

ELCA National & Synod Support \$455

This is the eighth month of our unified budget in which we now give four and one half percent (4.5%) of our current expense receipts and loose plate offerings for benevolence. The above amount is based on the income of \$10,058 for September.

Newsletter Deadline

The deadline for the December newsletter will be Thursday, November 10th at 8am to allow for mailing due to the Thanksgiving holiday.

Property Committee Update

The Property Committee has been working diligently on many repairs in and around our building. Many of the repairs were to original fixtures that were installed when the building was first built. That being said, they have also put together a list (on page 7 of this newsletter) identifying maintenance projects that need to be addressed going forward. That list includes a few major projects, some of which will be discussed at the Annual Meeting. As the facilities age, the cost to maintain will increase as well. The Property Committee, along with Council, felt it was important to make the congregation aware of some of these significant projects so we can plan for and prioritize next steps. Feel free to reach out with any questions.

Silent Auction

The annual Silent Auction sponsored by Stephen's Angels will start on Sunday, November 6th with final bid submissions to take place after the service on Sunday, November 13th. Winners will be announced around 10:15am. Fresh cinnamon rolls will be available following the worship service during coffee hour. We hope to see you there! Thank you for supporting the work that our Property Committee members have done as well as their future projects.

Thank You

Thanks to the members of St. Stephen, we were able to assemble 68 school kits, 73 personal care kits, 13 fabric kits, and 248 quilts for Lutheran World Relief. We also donated 20 quilts locally. We couldn't do it without you!

Veterans Day

On Sunday, November 13th, for Veteran's Day, we would like to honor those people in our congregation that are currently serving, have served in the past, or died defending our country. Please fill out a form if there is someone that you would like us to recognize on this day. If you filled out a form in the past, you do not need to do so again this year; we will automatically use the names that we were given last year. Forms are due on or before Monday, November 7th and can be found on page 9 in this newsletter or on the counter in the reception area. Please place your completed forms in the box on the counter in the reception area.

Women's Bible Study

The Women of St. Stephen will have a Bible Study on Wednesday, November 9th at 1pm in the Conference Room. All women of the church are welcome to attend!

COUNCIL MINUTES ~ OCTOBER 11, 2022

Present: Pastor Karoline, Chuck Johnson, Sarah Lonsdorf, Kelly Brown, Lloyd Zimmel, Pat Erdman, Verlyn Oelke, Jim Von Rueden, Dick Holster, Jeff Blomquist, Kathy Robinson, and Shauna Robinson. Pam Hackbart attended via ZOOM.

The meeting opened at 5:35 with devotions by Chuck.

A motion was made and passed to accept the September 13, 2022 Council minutes.

<u>Pastor's Report</u>: A written report was provided.

<u>President's Report</u>: A written report was provided.

<u>Treasurer's Report</u>: A written report was provided. We have \$27,985 in our General Fund. Verlyn gave a brief update on our finances. We are still waiting for the invoice for the second half of the air conditioning installation. \$1025 has been received from the Seymour Funeral, which had been designated as general. The memorial will be used to make improvements to the kitchenette next to the Conference Room. The discussion that followed brought up the limiting parameters of our Building Improvement Fund. A motion was made and carried to rename the Building Improvement Fund to the Building Improvement and Maintenance Fund, allowing the memorial to encompass all facets of keeping our building modernized and in good repair.

A motion was made and carried to accept these reports.

Committee Reports:

Education/Youth: Education Elder is on a one year substitution by Member at Large.

Good Stewards: A written report was provided. Kelly is looking for someone to take over the duties of the Good Stewards Elder and the running of the Community Dinner.

Property: A lengthy written report was provided outlining all the needed repairs at St. Stephen. Jim recapped some of the items on the to-do list, many have been done, but there are still many on the list. There is a cost of between \$1500 and \$3500 to replace the disposal system in the kitchen. **A motion was made and carried to approve the expenditure needed to make the repairs.** There will be repairs needed to the elevator automatic door opener in the near future. **A motion was made and approved to allow the Property Committee to spend up to \$3000 to repair the door when it is needed.** Jim explained that many of the repairs made over the past year were to original fixtures from when the structures were built. We will need to continue to plan for higher maintenance costs as our buildings age.

Worship: A written report was provided.

Trust Fund: A written report was provided. There has been a recent drop in earnings, but there are still some funds available for projects if needed.

A motion was made and carried to accept these reports.

Old Business:

- Memorial Fund Review There will be is a change to the priority order this month. Current Expense is number one, Sustainability Trust Fund is number two, and Building Improvement and Maintenance Fund is now number three.
- In-person worship will continue, we ask you mask as you are comfortable and please watch online if you are ill. Please continue to be mindful of your church family.
- We are working on Wedding Policy updates.
- We have started getting some names for next year's Council, but are still looking for some volunteers. Our Constitution requires that we fill many spots on the Council. **PLEASE CONSIDER VOLUNTEERING.**
- Email issues are being resolved, and we continue to look at our video process.

New Business:

- A motion was made and carried to approve September bills.
- Dick Holster gave us an update on things with Little Scholars.
- Little Scholars has requested more playground space. Discussion took place about giving up 6 parking spaces for them. They would be compensating us monthly for the extra space. Dick suggested that if we decide to do so, we should pose the question to the congregation at the Annual Meeting.
- The Personnel Committee has given recommendations for salary payments and increases for the next year. Discussion followed. We are trying to stay competitive with the recent increases in the private sector. A motion was made and carried to follow the Personnel Committee's recommendations with one amendment.
- Lloyd asked us to begin our planning for the new budget for 2023. We will have a budget meeting in November to discuss it.
- The date for the Annual Meeting has been set for February 12, 2023.
- Building Security has been worked on; a number pad has been installed. Work will continue on specific projects as they relate to the safety of our members, staff, tenants, and building.

Our next meeting is scheduled for Tuesday, November 8th at 5:30 pm with Kathy providing devotions.

Meeting was adjourned at 7:55 pm with the Lord's Prayer.

Respectfully submitted,

Pat Erdman, Council Secretary
